

Join our Fall/Winter CSA (Community Supported Agriculture) program and eat locally up to 10 months a year!

Starting on October 9, 2018, your share is picked up monthly at 45 Mountain Terrace in Bristol on Tuesdays, from 3-6PM. Similar to the spring/summer CSA, at each pick-up you choose which produce you'd like. As well, once the season begins, if you know you'll be missing a pick-up, just let us know. You can either stock up in advance or take extra upon your return. Email newleaf@gmavt.net with questions, or go to newleaforganics.org for more information. CSA enrollment is also available online.
